

Congress KnowWho[®] for SALESFORCE

Manage your Communication with Members of Congress, Committees, Officers, and their Staff

Find contact and biographical information for every Member of Congress and their staff.

One simple install creates contact records for all Senate and House Members and their staff. Records are also created for every Congressional Committee and Caucus.

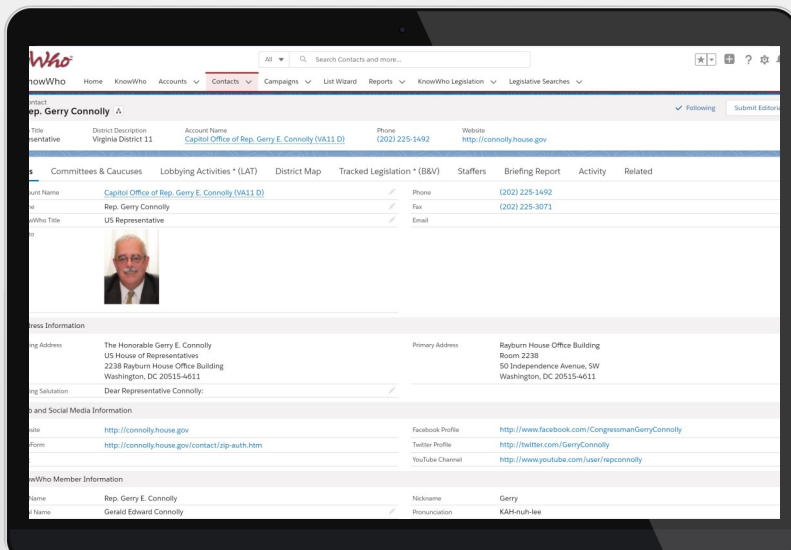

Congress KnowWho for Salesforce includes:

- Contact information; phone, fax, address
- Staff contact information including issue areas
- Photograph and narrative biography
- All state and district office data

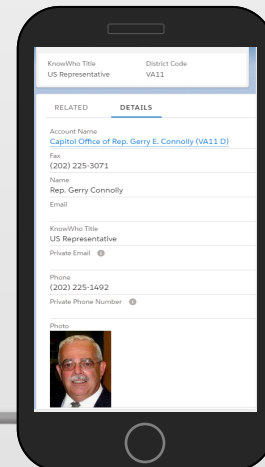

- Leadership positions + committee memberships
- Native to Salesforce using standard Salesforce Account and Contact objects
- All native features of Salesforce including tasks and activities are available
- PDF Briefing Report and District Map for available each Member

ALSO AVAILABLE:

- Federal executive, state, local elected officials
- Add an Advocacy Center Toolkit, ZIP Code-to-District Matching, Activity Tracking, and Legislation Monitoring to your Directory

“Congress KnowWho for Salesforce saves us time and money everyday, and enables us to provide extraordinary service to our clients.”

Jeremy Gosbee
