

# FedExec KnowWho

for SALESFORCE

## Manage your communication with more than 35,000 White House, Federal and Agency Executives

Find contacts and biographical information for White House, key federal executives in the cabinet departments, and agencies

One simple install creates contact records for thousands of executives in the White House, departments and independent agencies

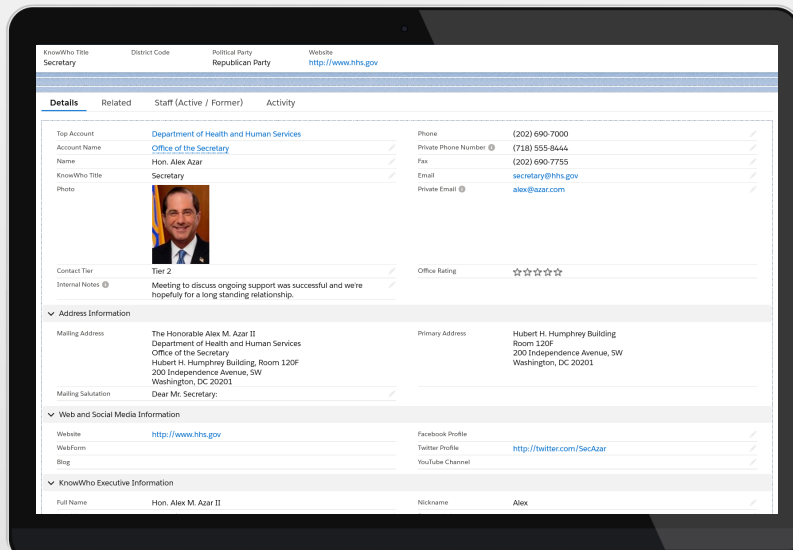

FedExec KnowWho for Salesforce includes:

- Contact information—office address, phone and fax, email, and web URLs
- Photograph and narrative biography
- Social media profiles

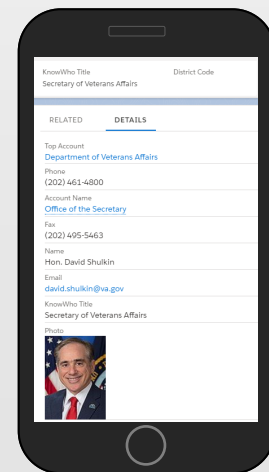

- Native to Salesforce using standard Salesforce Account and Contact objects
- All native features of Salesforce including tasks and activities are available
- PDF briefing report available for each executive
- Salesforce directories are updated nightly

### ALSO AVAILABLE:

- Congressional, state, and local elected officials
- Add Action Center Toolkit, and Lobbying Activity Tracker apps to your FedExec subscription

ALL SALESFORCE DIRECTORIES CAN BE USED WITH YOUR MOBILE DEVICES.
